

What is a manifestation determination?

A manifestation determination is a disciplinary procedure for a student with a known or suspected disability who is subject to a disciplinary action that results in a cumulative disciplinary removal (ISS/OSS) for more than 10 school days in their current school year. These procedures apply to students served through the Individuals with Disabilities Education Act (IDEA) or Section 504 of the Rehabilitation Act (504).

Manifestation Determination Flowchart

We realize that the complexities of a manifestation determination can be challenging. To help, we created this simple flowchart that is designed to help bring clarity to the process.
