

Who is part of an effective MTSS system?

When and Where? Note any ideas shared from the responses other attendees shared that caught your interest.

How do we screen?

How do we progress monitor?

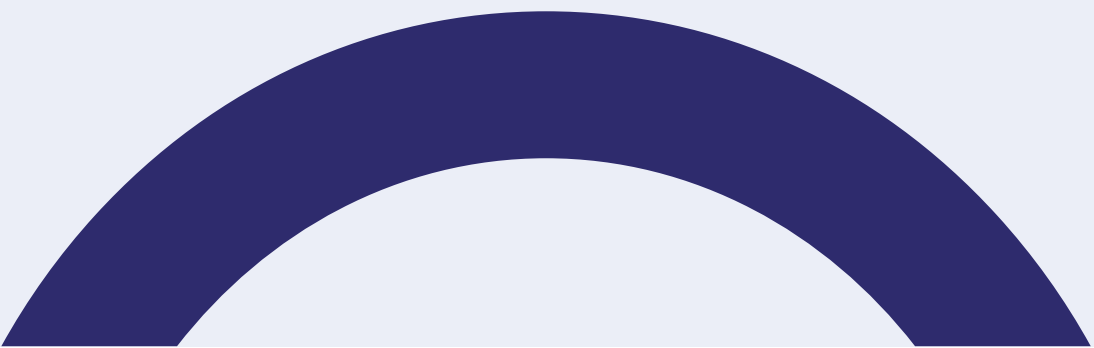

A large, empty, light blue rounded rectangular box intended for a response to the question "How do we progress monitor?".

How do we gather and organize data to be able to review and analyze?

A large, empty, light grey rounded rectangular box intended for a response to the question "How do we gather and organize data to be able to review and analyze?".

How do we encourage and facilitate participation by a variety of stakeholders?

A large, empty, light blue rounded rectangular box intended for a response to the question "How do we encourage and facilitate participation by a variety of stakeholders?".

Action Plan

Describe an action you will undertake back at your district/building. Assign a start date to the activity. Next, open your phone and note the action either in your calendar or in a to-do list/app.
